CHUNG QUAI IS GUILTY OF LIBEL

Chinese Who Slandered One of His Countrymen Must Pay a Fine.

Chung Quai was yesterday afternoon found guilty by Judge Cooper of libel in the second degree and was sentenced to pay a fine of \$50 and costs.

Chung Quai was sentenced with heavy fines to Dr. Li, another Chinese, through the columns of a Chinese newspaper. The evidence showed that the defendant went to the editor of the paper and paid to have a scurrilous article attacking the honesty and morality of Dr. Li inserted.

Dr. Li was represented by Lorrin Andrews, while A. S. Humphreys represented the defendant who was convicted. The case was heard by Judge Cooper without a jury and was submitted on the evidence without argument.

BADGE PRESENTED TO CHESTER DOYLE

High Sheriff Henry has presented to Chester A. Doyle a very handsome testimonial in recognition of the valuable services rendered by the ex-deputy sheriff during the plantation strike last year. It is a solid gold deputy high sheriff's badge, very handsomely enameled and having in the center a gold and enameled Hawaiian coat of arms.

Newbro's Herpicide

Is the original remedy that "kills the dandruff germ"

EDNA D. ALLEN.

WITHOUT dandruff the hair must grow luxuriantly, except in chronic baldness, which is incurable. Dandruff is a contagious disease caused by a germ or microbe. To cure dandruff, this germ—a tiny vegetable growth—must be destroyed and kept out of the scalp by Newbro's Herpicide.

A Woman to be Pretty

A woman to be pretty must have pretty hair. Beautiful locks have a subtle charm, for the poet says, "fair tresses man's imperial race ensnare." The unpoetic and intensely real dandruff microbe makes the hair dull, brittle and lusterless with later dandruff, itching scalp and falling hair. Newbro's Herpicide destroys this enemy of beauty and enables the hair to resume its natural luster and abundance. Almost marvelous results sometimes follow the continued use of Herpicide. Overcomes excessive oiliness and makes the hair light and fluffy. It contains no grease or dye. Stops itching of the scalp almost instantly.

Discriminating ladies who have used Newbro's Herpicide, speak of it in the highest terms, for its almost magical effect upon the scalp, and also for its excellence as a regular hair dressing. It is delightfully fragrant and refreshing.

"I have found Newbro's Herpicide excellent for the hair. The first application stops itching of the scalp and it leaves the hair soft and silky." (Signed) EDNA D. ALLEN, Syracuse, N. Y.

Real Estate FOR SALE

House and lot on Quarry Street opposite Normal School. BRIGHT FUTURE FOR TEMPLOR RANCH. Templor Ranch Stock is in great demand in California, and it is reported that sales have been made as high as 50 Cents per share.

The stock has been in active demand for some time, both in San Francisco and Los Angeles, due to the knowledge that the Templor Ranch Oil will be able to market its entire daily production.

On account of the large amount controlled by the Company and the great increase in production that can be obtained at small cost, the prospects are particularly bright for the holders.

It must be borne in mind that the present production is from only a very small portion of the property. The one well to each three acres, the room on the Templor Ranch property for at least 166 wells, and a production that will enable the company to pay large dividends.

To those familiar with the property of the company, the stock has always been regarded as a splendid investment for future returns.

Those who contemplate buying Templor Ranch Oil shares should at once secure their shares in anticipation of an early rise in price, while it is offered at 49 cents per share.
